AGENDA ITEM COVER SHEET

ITEM NO: A - 5
DATE: May 10, 2007
SUBJECT: Purchase of Public Works Equipment
CONTACT PERSON: Public Works Director Dunn

ISSUES:

Authorize Public Works staff to purchase the MS 441R Stihl chainsaw, three chains and two FS 250 Bike Handle Weedeaters from Glen's Rental Sales and Service; One Kubota BX 2350 with 60" deck from Kitsap Farm Garden Tractors; and five-1 yard and eight-2 yard dumpsters from Western Systems and Fabrication.

The Public Works Department has old equipment that staff is asking the City Council to approve replacement. The equipment replacement was included in the 2007 Budget process. The chain saw, weed eaters and one of the riding lawn mowers are not performing as efficiently as they should with the amount work the department does in the City Parks and Cemetery. Public Works is spending more time and money trying to keep the equipment operational than there is funding in the budget.

With Council approval the Public Works Department will replace the chain saw (1993-21" bar/Stihl), two weed eaters (2000 Stihl's), and 1989 Kubota tractor style riding lawnmower. Public Works will add these to the surplus list once the replacement equipment is added to the inventory.

Also, annually the Public Works Department replaces and increases inventory on garbage dumpsters, one, two and/or three yard sizes, this is a budgeted expenditure. For this year the City needs to add only one and two yard dumpsters.

SUMMARY:

Operating Equipment:

After assessing all the equipment, Public Works would recommend replacing the failing chainsaw, 2 weedeaters, and the one Kubota lawnmower.

Attached are 3 bids for the Chain saw with three chains and two weedeaters, all being Stihl products as they have state bid and have been the most reliable for Sultan.

Glen's Rental Sales and Service	\$1607.97
Siskun Power Equipment	\$1680.77
United Rentals	\$1881.07

Kitsap Farm and Garden Tractor	\$ 9,877.17
Sound Tractor Co.	\$11,419.63
Issaquah Honda Kubota	\$11,543.40

The chainsaw and weedeaters with accessories are budgeted in Parks, Water, Sewer Operations & Maintenance 2007 Budget line item small tools and minor equipment. The Lawnmower is budgeted from Parks, Cemetery, Water, Sewer Funds, 2007 Budget line item capital equipment.

Dumpsters:

Additional Inventory of garbage dumpsters, included \$10,000 in 2007 Budget:

Western Systems and Fabrications	\$ 8,416.50
Capital Industries	\$10,016.62

NOTE: Complete this section when tractors are sold.

Statistics show that severity of injuries is greatly reduced and fatalities practically eliminated through use of both ROPS and a seat belt if a tractor overturns. I have been advised and understand that the use of ROPS and a seat belt is recommended in almost all applications.
