COUNCIL ACTION:

Action Date:

**UTILITY COMMITTEE MEETING
May 3, 2007**

It is recommended that the Council APPROVE relief to the following account for garbage charges.

[REDACTED]
215 Birch Avenue

RE: Relief of garbage charges in the amount of \$50.84 to December 2005. Requesting compensation for extra garbage fees he has been charged. Claims he requested once a month pickup when he moved in six years ago; however the city has been billing him twice a month pickup. I have researched his account and found that he did only place one can a month at the street for the past year. I have not researched further, but can if the committee feels it is necessary to do so.

It is recommended that the Council DENY the following request for relief of additional utility service charges.

[REDACTED]
923 Stevens Avenue

RE: Relief for watering of planters in summer months
Requesting utility committee to grant \$720.00 credit from 2001-2006 for watering of city planters. It was discovered by Bill Ferry, Water Systems personnel, on April 18th, 2007 that the sprinklers for the main street traffic calming island were not connected to the [REDACTED] meter.
