

**SULTAN CITY COUNCIL  
AGENDA ITEM COVER SHEET**

---

DATE: June 18, 2009

ITEM NO: A- 8

SUBJECT: Approve Bid Award for Adding a Larger Door into Chlorine Room at Water Treatment Plant

CONTACT PERSON: Jon R Stack P.E., City Engineer

**Issue:**

City Council Authorization is needed to award the bid for the adding a larger door into the chlorine room to facilitate the conversion of gas disinfectant to liquid chloringe.

**Staff Recommendation:**

Staff is recommending City Council authorize award of the Door Replacement Project to Pacific Northwest Construxion Inc as the lowest responsible bidder, which will allow staff to notify the contractor June 29, 2009 and issue a notice to proceed on installation of a larger access door into the chlorine room. This will allow the equipment necessary ( primarily a 4 foot diameter plastic tank) for the chlorine conversion to be added to the chlorine room.

**Summary:**

Request for Bids were submitted to 14 contractors from the Municipal Research Services Center (MRSC) Small Works Roster. The City received 1 responsible bid which is attached..

**Background:**

This project is funded from Water System Improvement Fund. The original budget for the overall project including the materials is \$40,000.

**Alternatives:**

There are no alternatives, failure to complete the project could result in the City of Sultan paying back the Federal Funding received.

**Fiscal Impact:**

There is currently \$17,000.00 remaining in the FEMA HMGP Grant Fund

**Recommendation:**

Approve the bid received from Mountain Trucking and Excavating, LLC for Demolition of the house at 105 Alder Avenue in accordance with the bid specifications.

**Attachments:** A – Mountain Trucking and Excavating, LLC Bid
