Notable Events During June 2009

- Deputy Scott Berg has completed Field Training and is assigned to Sultan. He and Doug Vimpany have traded shifts so Scott works dayshift and Doug is on graveyard
- Daryl Hansmann had interviewed for a position in Sultan at the beginning of 2009 and then broke his leg. Daryl has now recovered and is working dayshift in Sultan
- Shawn Gillespie had asked for a transfer out of Sultan and is now working out of the North Precinct.
- We completed and submitted a JAG Grant for \$10,000 and are awaiting the outcome.
- Snohomish County Facilities painted the outside of our building to match the colors of City Hall and the Visitor Center.
- June 17th was the date of the Antonio Marks homicide. As of this date five people are in custody and being charged with the murder.
- With the combined efforts of the City of Sultan, Volunteers of America and Sheriff's Office, we have conducted two community meetings related to the Marks murder. There were about 150 people at the first meeting and 30 kids at the youth only meeting. So far 48 citizens have signed up to become involved in community partnering plans and programs.
- On June 17th we had our monthly Block Watch Meeting which was attended by about 30 people. Snohomish Regional Drug Task Force Commander Patric Slack gave a presentation on drugs and drug trends in our area.
- I'm sure you have noticed the difference in this months report and I want to thank Volunteer Ray Coleman for his help designing it. We are trying to make this report informative and more users friendly. I welcome your thoughts and suggestions.

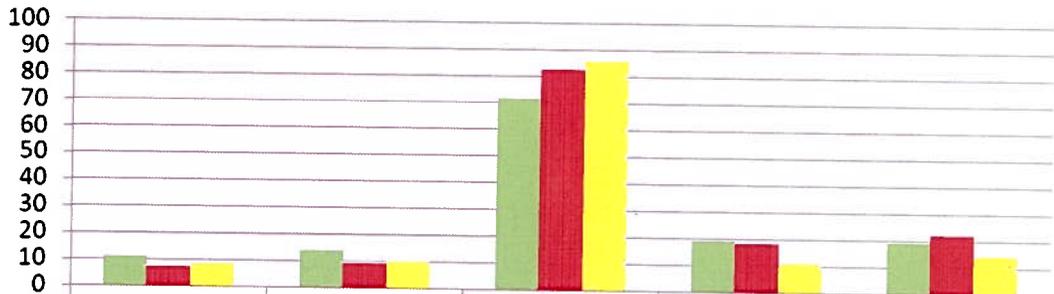

The following charts compare selected statistics in the reporting month to the same month in the previous year and provide the current year to date monthly average (YTD Average) totals for each category.
