

SULTAN CITY COUNCIL

AGENDA ITEM COVER SHEET

ITEM NO: C-3
DATE: October 22, 2009
SUBJECT: Hypochlorination Materials/Equipment Re-Bid
CONTACT PERSON: City Engineer Jon Stack, P.E.

SUMMARY: In accordance with the Council's authorization, bids were again called for the necessary materials and equipment to convert the Water Treatment Plant from gas chlorination to hypochlorination for treatment of filtered water. Four companies were contacted and bids were received as follows:

Whitney Equipment Company	\$17,450.00
TMG Services, Inc.	\$18,350.00
PumpTech, Inc.	\$19,638.00

Copies of the bids received on October 5, 2009, are attached for the Council's information. (Bids shown do not include sales tax).

FISCAL IMPACT: A \$40,000.00 water budget item has been established for this project.

RECOMMENDED ACTION: Approve the low bid of \$17,450 plus sales tax provided by Whitney Equipment Company and authorize the Mayor to sign the construction contract for that amount.
