

SULTAN CITY COUNCIL  
AGENDA ITEM COVER SHEET

---

Date: December 10, 2009  
Agenda Item #: C- 8  
SUBJECT: WASPC Equipment and Mini Grants  
CONTACT PERSON: Donna Murphy Grants and Economic Development Coordinator

ISSUE: The issue before the Council is to submit two grant applications to the Washington Association of Sheriffs and Police Chiefs (WASPC) for one equipment grant (\$5,000) and one mini grant (\$500).

**STAFF RECOMMENDATION:**

Direct Staff to complete and submit one Equipment and one Mini grant application to WASPC and authorize Mayor Eslick to sign the necessary documents for submittal.

**SUMMARY STATEMENT:**

The Washington Association of Sheriffs and Police Chiefs offer annual equipment and mini grants to cities in Washington State to assist in the law enforcement's efforts in Traffic Safety.

**Mini Grants** are offered in the amount of approximately \$500 to provide educational and promotional materials about traffic safety.

A grant team was formed to determine a project that would be the most beneficial to the Sultan community. The team recommended using the Sultan Safety Rodeo scheduled for May 15, 2010 as the venue because there will be community members attending the event from all ages.

The recommended project for the grant application is to purchase:

1. Small key chains that look like a cell phone with the message, "Hang up and Drive" on one side, and "Distracted Driving Kills" on the other side.
2. Clip on gold Deputy Badges titled, "Junior Deputy" with the message, "I Buckle Up".

**Equipment Grants** are specific to traffic enforcement equipment, including, but not limited to PBT's, radar units, and computers. Below is the list of equipment grant options considered by Chief Jeff Brand, Deputy Doug Vimpany and Sergeant Steve Plaisance:

- Handheld Radar: \$799
- Radar (Other): \$1,000
- Rear Antenna: \$400
- FST'S: \$500
- In-Car Video System: \$1,000
- In-Car Video System (Digital): \$2,500
- Lidar Radar: \$3,000

It is the recommendation of the officers on the grant team to request radar units. Specifically, five (5) Stalker Dual, permanently mounted radar units at a cost of \$1,095 each.

**FISCAL IMPACTS:**

There are no fiscal impacts with the Mini Grant application.

The maximum amount allowed for the Equipment Grant is \$1,000 each for a total grant request of \$5,000. The radar units are \$1,095 each, and if funded, the City of Sultan will incur an additional cost of approximately \$100 per radar unit, or \$500. If funded, Police Chief Jeff Brand will request a Budget Line Item for \$500 in 2010.

**RECOMMENDED MOTION:**

I move to authorize Mayor Eslick to direct Staff to submit one Equipment for \$5,000 and one Mini grant application for \$500 to WASPC and authorize Mayor Eslick to sign the necessary documents for submittal.

## Traffic Safety

### Traffic Safety Grants

The next cycle for grant applications to be turned in will begin October 2009 with the post mark deadline of December 19th, 2009

#### Grant Funded Equipment:

1. **Mini grants** - educational/promotional materials
2. **Equipment grants** - traffic enforcement equipment, including, but not limited to, FST's, and radar units. Listed below are maximum awards for certain types of equipment. Other equipment requests will be evaluated on a case by case basis.
  - Handheld Radar \$799
  - ✱ Radar (Other) \$1,000
  - Rear Antenna \$400
  - FST's \$500
  - In-Car Video System \$1,000
  - In-Car Video System (digital) \$2,500
  - Lidar Radar \$3,000
3. **Multi-jurisdictional grants** - including, but not limited to, enforcement based educational activities or radar/readerboard trailers.

### The Longest Range

The Stalker DUAL SL sets the standard in the industry for range and performance. The best performance means monitoring every vehicle at greater distances, which results in superior tracking history and better target identification.

### 3 Window Fastest Speed Tracking

Stalker's patented Fastest Speed Tracking assists the operator in making proper target identification by displaying both the Strongest and Fastest targets simultaneously on separate display windows.

### Strongest Fastest Patrol

Click To Enlarge

### Four

### Direction Speed Monitoring

With two antennas, the Stalker DUAL SL's moving mode can track vehicles in four directions:

- In Front of the Patrol Moving the Same Direction
- In Front of the Patrol Approaching in the Opposite Direction
- Behind the Patrol Moving in the Same Direction
- Behind the Patrol Receding in the Opposite Direction

### True Doppler Audio

The Stalker DUAL SL compensates for patrol speed variations when generating the Doppler audio. Since the audio tones do not vary with patrol speed, the operator learns to correlate this true Doppler audio with target speed, which eliminates the need to constantly watch the display to determine target speed.

### Features

- Industry Leading Performance
- Same Lane Tracking
- Intelligent Fastest Speed Tracking
- Available with 1 or 2 Antennas
- 3 Window Multicolored LED Display
- Read-Thru Lock
- Cordless Infrared Remote
- Compensated True Audio Doppler
- Digital Antenna Communications
- Narrow Beam Width
- Waterproof Ka Band Antenna
- Small Detachable Display Unit
- Software Upgradeable
- Interfaces with Cameras & Computers
- 3 Year Full Warranty
- Optional Motorcycle Kit (Includes Waterproof Switch Display, Sealed Remote Control, Waterproof Cable Connections, and Special Mounting Hardware)

Order Dual  
Parts & Accessories

Using Your Stalker Dual

**Parts and Accessories – The Stalker Basic (All Models) (Continued from previous page)**

Part #	Part	Description	Contract Price
200-0206-00	Tuning Fork (40 mph)		\$13.50
200-0398-00	Basic Cordless Mini Remote		\$80.10
020-0019-00	Battery Pack		\$26.10
200-0447-00	Battery Charger		\$26.10

**Police Radar – The Stalker Dual SL (See: [http://www.stalkerradar.com/law\\_dual.shtml](http://www.stalkerradar.com/law_dual.shtml))**

Part #	Part	Description	Contract Price
SDSL1KA	The Stalker Dual SL	Includes: Dual counting unit, same lane software, display unit, power cables, display hood kit, one KA band antenna & cable, cordless remote, tuning forks, owner's manual, mounting brackets, 3 year warranty	\$1,095.00
SDSL2KA	The Stalker Dual SL	Includes: Dual counting unit, same lane software, display unit, power cables, display hood kit, two KA band antennas & cables, cordless remote, tuning forks, owner's manual, mounting brackets, 3 year warranty	\$1,545.00
SDSL1KAM	The Stalker Dual SL	Includes: Dual counting unit, same lane software, sealed switch display, power cables, display hood kit, one KA band antenna & cable, sealed remote, tuning forks, owner's manual, mounting brackets, 3 year warranty, FOR MOTORCYCLE USE	\$1,675.00
SDSL2KAM	The Stalker Dual SL	Includes: Dual counting unit, same lane software, sealed switch display, power cables, display hood kit, two KA band antennas & cables, sealed remote, tuning forks, owner's manual, mounting brackets, 3 year warranty, FOR MOTORCYCLE USE	\$1,995.00

**Parts and Accessories – The Stalker Dual SL (All Models)**

Part #	Part	Description	Contract Price
200-0204-00	Tuning fork (25 mph)		\$13.50
200-0202-00	Tuning fork (40 mph)		\$13.50
200-0648-00	Display Hood		\$17.10
200-0244-00	Antenna Dash Mount		\$26.10
200-0553-00	Dual Cordless Ergo Remote		\$80.10

**Police Radar – The Stalker DSR (See: [http://www.stalkerradar.com/law\\_dsr.shtml](http://www.stalkerradar.com/law_dsr.shtml))**

Part #	Part	Description	Contract Price
DSR1	The Stalker DSR (Direct Sensing Radar)	Includes: DSR counting unit, display unit, power cables, Vehicle Speed Sensor (VSS) cables, display hood kit, one KA band antenna & cable, cordless remote, tuning forks, owner's manual, mounting brackets, 3 year warranty	\$2,495.00
DSR	The Stalker DSR (Direct Sensing Radar)	Includes: DSR counting unit, display unit, power cables, Vehicle Speed Sensor (VSS) cables, display hood kit, two KA band antennas & cables, cordless remote, tuning forks, owner's manual, mounting brackets, 3 year warranty	\$2,695.00
