

**Sultan Library Board Meeting**  
**Librarian's Report**  
March 11, 2010

---

---

**2009 Library Activity:**

	2008	2009	
Items Borrowed	116,147	127,243	+10%
Door Count	86,156	86,981	+1%

**Building**

- Circulation is up 10%!
- Customers love the new notebook computers exclusively for adult job seekers

**Staff**

- Jackie has been taking part in community meetings as part of our Sno-Isle strategic planning
- We have several new volunteers working and more ready to get started-they're terrific!

**Services and Programs**

- Recently, we were fortunate to have one of our hometown heroes from our Sultan Fire Department share a story with children at Preschool Storytime—the children loved it!
- March is Teen Tech Month: We will have a Teen Gaming Day with Rock Band and Guitar Hero on Friday March 12. We have a recycled objects teen art program on March 17.
- In 2010, Sultan is a teen project library. Jackie is meeting with community members to begin community “asset mapping.” The result will be an increased focus on the library services and programs the community and teens tell us are most important to them.
- The Oldest Book...Who Has It? A contest to celebrate library history goes March 1-25 inviting customers to show us the oldest book they own. This has been really popular so far!
- Baby Storytime occurs Thursdays in March with Preschool Storytime on Thursdays in April
- Coloring contest to celebrate Dr. Seuss in March! Win a Dr.Seuss book and accompanying adorable Seuss stuffed animal book character!

- 
- A **100 year** birthday party for Sultan Library on April 1, from 1-5pm! Come enjoy cake, punch, perusing historical photos of the library, and make a note, poem, drawing (or whatever suits your fancy) in our memory book.
  - During the spring school break week, the library will hold four programs for children and families to enjoy together
  - “What’s Happening” monthly calendars list lots of other events at nearby branches and a complete list of events can also be found at [www.sno-isle.org](http://www.sno-isle.org)
