

CRS Activity 510

Progress Report on Implementation of Credited Plan

Date this Report was Prepared: October 15, 2018

Name of Community: City of Sultan

Name of Plan: Snohomish County Hazard Mitigation Plan – September 2015 Update
19. City of Sultan Annex

Date of Adoption of Plan: January 14, 2016

5 Year CRS Expiration Date: April 2023

1. How can a copy of the original plan or area analysis report be obtained:

Please visit the City of Sultan at 319 Main Street, Sultan WA 98204 or visit the City of Sultan website for a navigable electronic version at:

www.ci.sultan.wa.us/flood-information/

2. Describe how this evaluation report was prepared and how it was submitted to the governing body, released to the media, and made available to the public:

This report was prepared by city staff and is being submitted to the City Council for review. This progress report is available for review by the media and the public. A locally published notice stating progress report availability and the location of the full plan will be released during the month of October 2018.

3. Provide a description of the implementation of each recommendation or action item in the action plan or area analysis report, including a statement on how the project was implemented or not implemented during the previous year:

Progress is ongoing and progress was included under each action item.

4. Discuss why any objectives were not reached or why implementation is behind schedule:

Objectives for the plan are in-progress. Planning for scheduled update in 2021.

5. What are the recommendations for new projects or revised recommendations?

Revised recommendations include building actionable preparedness capabilities within the city to withstand hazard impacts and enhancing the social capital of the community to recover more quickly from flooding.

| |
|--|
| S-1—Implement policies and recommendations identified in the City of Sultan Comprehensive Floodplain Management and Repetitive Flood Loss Plan. |
| Actions: Action ongoing. Act has been carried over to updated action plan (S-1). |
| Hazards Addressed: Flood |
| Objective: All |
| Lead Agency: Public Works (PW) |
| Funding: General Fund, CIP, Possible FEMA Hazard Mitigation Grants |
| Timeline: Short term, ongoing |
| S-2—Provide citizens of Sultan access to web-based information on natural hazards. |
| Actions: Action ongoing. Act has been carried over to updated action plan (S-2). |
| Hazards Addressed: All |
| Objective: 4, 7 |
| Lead Agency: PW |
| Funding: General Fund |
| Timeline: Long term, ongoing |
| S-3—Acquire, relocate, or retrofit identified repetitive flood loss properties. |
| Actions: Action ongoing. Act has been carried over to updated action plan (S-3). Ongoing as the city is partially in a floodplain, driven by grant availability. |
| Hazards Addressed: Flood |
| Objective: 2, 3, 4, 5, 6, 7 |
| Lead Agency: PW |
| Funding: General Fund, REET, FEMA Hazard Mitigation Grants |
| Timeline: Long term, ongoing |
| S-4—Update, enhance, and adopt the City’s Emergency response plan based on the most current information and include identification of multi-hazard evacuation routes. |

| |
|--|
| Actions: Action ongoing. Act has been carried over to updated action plan (S-4). |
| Hazards Addressed: All |
| Objective: 2, 3, 4, 5, 7 |
| Lead Agency: PW, County DEM |
| Funding: General Fund, FEMA Hazard Mitigation Grants |
| Timeline: Long term, ongoing |
| S-5—Create additional evacuation routes out of the Sultan Bowl. |
| Actions: Action ongoing. Act has been carried over to updated action plan (S-5). |
| Hazards Addressed: All |
| Objective: 7, 9 |
| Lead Agency: PW |
| Funding: Developer Fees, REET |
| Timeline: Long term, ongoing |
| S-6—Promote flood insurance, reducing flood insurance rating by providing certified elevation data on all structures in the floodplain. |
| Actions: Action ongoing. Act has been carried over to updated action plan (S-6). |
| Hazards Addressed: Flood |
| Objective: 3, 3, 5 |
| Lead Agency: PW |
| Funding: General Fund, Impact Fees |
| Timeline: Long term, ongoing |
| S-7—Enhance Outreach programs to promote preparedness and mitigate hazards that impact Sultan |
| Actions: The City has constructed new ductile iron water mains to replace old asbestos cement water mains on several projects. This process is ongoing. Act has been carried over to updated action plan (S-7). |

| |
|---|
| Hazards Addressed: All |
| Objective: 1, 2, 3, 4, 5, 6, 7 |
| Lead Agency: PW |
| Funding: General Fund, Grants, County DEM |
| Timeline: Short term, ongoing |
| S-8—Promote mitigation of private property within Sultan by providing incentive and alternative ways to fund mitigation in Sultan |
| Actions: Action ongoing. Act has been carried over to updated action plan (S-8). Action will take place in regulations, zoning and planning ordinance updates, ongoing. |
| Hazards Addressed: All |
| Objective: 1, 2, 3, 4, 5, 6, 7 |
| Lead Agency: PW |
| Funding: General Fund, Permit and Impact Fees |
| Timeline: Long term. ongoing |
| S-9—Seismic retrofit of vulnerable water mains within Sultan |
| Actions: The City has constructed new ductile iron water mains to replace old asbestos cement water mains on several projects. This process is ongoing. Act has been carried over to updated action plan (S-9). Action depends on funding. |
| Hazards Addressed: Earthquake |
| Objective: 3, 6, 7, 9 |
| Lead Agency: PW |
| Funding: CIP, FEMA Hazard Mitigation Grants |
| Timeline: Long term, ongoing |
| S-10—Support County-wide initiatives identified in Chapter 21 of Volume 1. |
| Actions: Action ongoing. Act has been carried over to updated action plan (S-10) |

| |
|--|
| Hazards Addressed: All |
| Objective: All |
| Lead Agency: PW |
| Funding: General Fund |
| Timeline: Short term, ongoing |
| S-11—Continue to maintain compliance and good standing under the National Flood Insurance Program (NFIP). |
| Actions: Action ongoing. Act has been carried over to updated action plan (S-11). |
| Hazards Addressed: Flooding |
| Objective: 1, 2, 3, 4, 5, 6 |
| Lead Agency: PW |
| Funding: General Fund |
| Timeline: Short term, ongoing |
| S-12—Continue participation and consider class improvement in the Community Rating System (CRS) |
| Actions: Action ongoing. Act has been carried over to updated action plan (S-12) |
| Hazards Addressed: Flooding |
| Objective: 1, 2, 3, 4, 5, 6 |
| Lead Agency: PW |
| Funding: General Fund, Possible FEMA Hazard Mitigation Grants |
| Timeline: Long term, ongoing |
| S-13—Where appropriate, support retrofitting, purchase, or relocation of structures located in hazard-prone areas to protect structures from future damage, with repetitive loss and severe repetitive loss properties as priority when applicable. |
| Actions: Action ongoing. Act has been carried over to updated action plan (S-13) |
| Hazards Addressed: All |

| |
|---|
| Objective: 2, 3, 4, 5, 6, 7, 8, 9 |
| Lead Agency: PW |
| Funding: FEMA Hazard Mitigation Grant funding with local match provided by property owner contribution |
| Timeline: Long term, ongoing, depends on funding |
| S-14 —Continue to support the implementation, monitoring, maintenance, and updating of this Plan, as defined in Chapter 7 of Volume 1. |
| Actions: Action ongoing. Act has been carried over to updated action plan (S-14) |
| Hazards Addressed: All |
| Objective: All |
| Lead Agency: PW |
| Funding: General Fund, FEMA Mitigation Grant Funding for 5-year update |
| Timeline: Short term, ongoing |
| S-15 —Integrate, where appropriate, risk assessment information from the Snohomish County Hazard Mitigation Plan into other planning mechanisms available to the City such as; the Capital Improvements Program, the Comprehensive planning process and Shoreline Master planning. |
| Actions: Action ongoing. Act has been carried over to updated action plan (S-15) |
| Hazards Addressed: All |
| Objective: All |
| Lead Agency: PW |
| Funding: General Fund |
| Timeline: Short term, ongoing |
| S-16 —Design and construct an Emergency Evacuation Command Center in Sultan on existing Snohomish County Fire District 5 property adjacent to US2. The Command Center will house a Fire Station, Police Station, Emergency Operations Center, Public Meeting Facility, Health Clinic, and landing facilities for a Rotary Wing Aircraft. The site is located out of the floodplain. Construction of the facility will adhere to all building codes with special attention to seismic requirements. |
| Actions: Action ongoing. Act has been carried over to updated action plan (S-16) |

| |
|---|
| Hazards Addressed: All |
| Objective: All |
| Lead Agency: PW |
| Funding: General Fund, State of Washington Capital Budget, Homeland Security-FEMA |
| Timeline: Short term, ongoing |
