The Washington State Department of Transportation (WSDOT) U.S. 2 repaving project is underway!

Estimated project timeline: May through October, 2017

The Washington State Department of Transportation (WSDOT) has started an eight-mile resurfacing project that extends from milepost 21 just west of Fern Bluff Road in Sultan to 10th Street in Gold Bar.

In addition to adding a layer of asphalt to repair cracked portions of roadway and fill potholes, the project includes upgrades to the pedestrian crossings to meet current federal standards. WSDOT contractor Lakeside Industries began pedestrian crossing upgrades on Monday, April 24, with paving and road repairs slated to begin the second week of May.

“It has been about 15 years since this section of U.S. 2 was paved, and it shows,” said WSDOT Project Engineer Mark Sawyer in a news release. “We’re looking forward to getting rid of the cracks and potholes in the road, and drivers will like the smoother ride.”

During construction, drivers should anticipate overnight, single-lane closures from 10 p.m. to 6 a.m. Sundays through Thursdays. The \$4 million project is scheduled to be completed by October, 2017. According to WSDOT, approximately 18,000 vehicles use the U.S. 2 corridor every day, 12.5 percent of which is truck traffic. One of the primary objectives of the project is to enhance driver safety by eliminating places where water can pool and freeze. Additionally, the work is expected to extend the life of the roadway and reduce the potential for costly emergency maintenance repairs leading to unexpected closures.

For more information about the project, contact Marqise Allen at 206-440-4699 or allenmq@wsdot.wa.gov, or visit: <http://www.wsdot.wa.gov/Projects/US2/FernBluffto10thPaving/>.

Mayor’s Youth Achievement Award nominations accepted!

The Mayor’s Youth Achievement honors Sultan School District youth for outstanding performance. The award is based on a set of criteria including accomplishment in community service, politics, arts and entertainment, athletics, academics, citizenship and overcoming obstacles.

Any community member can nominate a student for this prestigious honor. Once the nomination forms are received, they are carefully reviewed by the mayors of Sultan and Gold Bar, who each select one student from their respective communities to receive the award.. The awards are presented during the annual Academic Awards assembly, held in the Sultan High School Commons.

For a copy of the 2017 Mayor’s Youth Achievement Award nomination form, please email Donna Murphy at donna.murphy@ci.sultan.wa.us or Chris Hendrickson at chris.hendrickson@ci.sultan.wa.us. Nomination forms are due by 5 p.m. Monday, May 22, 2017.

Is your son or daughter interested in politics?

Applications are now being accepted for the 2017 – 2018 student representative on the Sultan City Council.
